THE TEN TK COMMANDMENTS

1. You **MUST** list alternatives to speed your order up as inventory goes in and out frequently and you will not get a refund, only a credit slip.
2. If you bounce a check to us, it will cost you a minimum of $25, if not more, so don't do it.
3. Unless you get something defective for some reason, items are otherwise non-returnable.
4. You assume all risks if you send us cash through the mail, so please conceal it well, okay?
5. You can pre-order records, but expect to have your entire order delayed until all of it is ready.
6. Keep in mind it can take up to 7 days for the post office to deliver your order, so don't call us 2 days after you've sent an order wondering where your new CD is. It's not insuline, just music, relax.
7. We will verify personal checks before we send your order out, so expect an extra few days delay if you do not use a Money Order or Cash.
8. You may request colors for shirts, but if we're all out, you will get a different color, so be prepared.
9. If you want to use a credit card instead such as Visa, AmEx, or Mastercard, please use our secure webstore at **WWW.TRUSTKILL.COM** or call toll free **1-866-TK-RULES**! M-F 11-5 EST.
10. Trustkill Records is your favorite hardcore label.
